Midland Gliding Club Limited

1st April 2022 to 31st March 2023

Introduction

This price list is for the membership year 2022-23. Updates will be issued whenever necessary.

Members' Payment Terms

- Annual charges are payable in advance by existing full members on the 1st of April in each year.
- New full members joining the Club after 1st April in any year pay a proportion of the same charges on joining calculated monthly. If you join the club after the 15th of the month, the remaining part of the month is not charged for.
- Full members pay all other charges (bar, caravan electric, launches and purchases from the club shop etc.) within the first 14 days of the month following the month in which the charges were incurred, or payment requested.
- If an associate junior member attains the age of 18 years during the membership year, they should apply to become a full member, but no further charges are payable until the following membership year.
- We will send out statements regularly. Members are encouraged to check their accounts so that prompt payment of any debit balance can be made.
- The Club reserves the right to suspend the flying privileges of any member who fails to pay any debit balance on their account within the 14 days period mentioned above provided that not less than 7 days' notice has first been given.
- Associate Course and Visitor members should pay all outstanding charges on the final day before departure.

Membership & Direct Debits

- Full Members may pay the annual charges in twelve equal instalments by direct debit.
- The direct debit is set up so that each instalment is paid within the first 7 days of each month beginning in April.
- Membership continues from year to year until cancelled. Cancellation of a direct debit mandate part way through a year will not cancel the balance of the outstanding annual charges payable for the year, which will remain due for payment forthwith.

How to Pay

It is vital to keep your account up to date. You can pay in the following ways: -

- **Air League / Launch Point Trust.** If you are fortunate enough to be in receipt of a bursary you must provide the office with details. Both schemes have an amount and period for which the voucher is valid. When the voucher has expired or your fees are more than the voucher's value, you are responsible for the outstanding amount.
- **Bank Transfer.** You can pay the Club using Bank Transfer. When doing so it is vital to quote your account number as the first part of the reference, followed by a dash before any additional text you choose to add, for example "0000 - Espin Hardwick Launches". The account number is the same as your membership number. If you are paying your Membership fees, add a suffix of "S" to the account number. Please do not combine payments from different accounts as it makes allocation complex and may result in errors.
