

# **Midland Gliding Club Emergency Price List 2020**

22nd May 2020 - 31st March 2021

21<sup>st</sup> May 2020

# Midland Gliding Club Limited

## 2<sup>nd</sup> Emergency Lockdown Price List

22<sup>nd</sup> May 2020 to 31<sup>st</sup> March 2021

### Introduction

During the Covid-19 emergency the Club will be using an emergency price list reflecting the current lockdown conditions.

Recognising we all face financial challenges during the crisis, the membership and facility charges have been reduced significantly. As a members Club, we rely on all members contributing to the future of our Club.

This price lists recognises that members cannot use all the facilities and flying is limited:-

- A traditional per minute charge for flying club single seaters has been introduced instead of a fixed annual flying subscription.
- Membership & caravan fees continue at the reduced level
- The facility charge for glider trailer hitches continues

### Members Prices

## Midland Gliding Club Limited

### 2<sup>nd</sup> Emergency Lockdown Price List

22<sup>nd</sup> May 2020 to 31<sup>st</sup> March 2021

<b>Other Charges</b>		
Metered electricity per unit		£0.165

#### Notes:

- The per minute charge for flying club gliders is charged from minute six (inclusive) onwards. The first five minutes are not charged for. So for typical five minute circuit the cost is the price of the launch.
