# Midland Gliding Club Limited

## Phase 3 – Re-opening 7 day's a week

1<sup>st</sup> August 2020 to 31<sup>st</sup> March 2021

## Introduction

During the Covid-19 emergency, the Club has adopted an emergency price list that reflects the prevailing conditions.

This price list reflects we can now fly seven days a week; the clubhouse is open with accommodation and catering. The key changes in this price list are: -.

- **Full Membership.** The monthly rate increases from £30 to £40 per month from the 1st of August.
- **Caravan Space Fees.** The monthly rate has increased from £30 to £40 per month.
- **All other membership and site charges** are unchanged.
- **Flying Fees.** The per-minute charges for glider hire have been tweaked: -
  - ✓ **Pre-declared and authorised** "BGA badge duration flights" are capped at two and a half hours - 145 minutes.
  - ✓ **Reduced the price of the K8 (G-DCJM)** from £0.50 to £0.35 per minute. This is to encourage it to be taken out of the hanger and flown.

If any of these changes cause financial difficulty, please contact, in confidence, the Chairman. Our Club is a family; it is important everyone remain members.

If there are no further changes to the membership fees, full members will pay £440 for the year. At £40 per month, the annual membership fee would be £480, which is consistent with similar clubs.

For member's who pay by direct debit, their direct debits will be adjusted from September and a one-off charge of £10 for August applied to their flying account.

For member's who pay annually, any adjustment will be made to their account during August with any credit or debit being made to their flying account.

Members are recommended to review their accounts with Eddie or Martin during August to ensure they are correct and up to date. The end of the financial year is rapidly approaching; it is important our accounts are in excellent order.
