- Self-reliance – ultimately working on your own and defining priorities
- Responsibility for the safety of oneself, club members and members of the public
- DIY car mechanic's ability

Facilities/Benefits:

- Competitive rates of pay
- Well-equipped modern workshop
- Clubhouse catering
- Full training where necessary

Hours of work:

- Weekdays, part time/full time, two weeks in four during the summer season (typically mid-March to mid-September)
- 4 weeks work during the remainder of the year.

Location:

- The Airfield. Long Mynd. Church Stretton. SY6 6TA
