COMMITTEE REPORT

Statement of members' responsibilities

The committee is required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the club as at the end of the financial year and of the income and expenditure for that year. In preparing those financial statements, the committee is required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts.

The committee is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the club and enable it to ensure that the accounts comply with the Co-operative and Community Benefit Societies Act 2014. It is also responsible for safeguarding the assets of the club and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the committee

.....

Mr Tim Murphy
