FRANCHISE TO RUN THE CATERING AT MIDLAND GLIDING CLUB

The franchise to run The Cafe at The Midland Gliding Club is available from 1st March 2026.

The Cafe operates from the fully equipped professional kitchen at the airfield on top of the Long Mynd and runs seven days a week from April to September inclusive, and then three days a week over the winter months, including weekends for both.

It provides quality breakfasts, lunches and dinners to club members and the public, and you get to work with the best view in the world!

The Midland Gliding Club does not charge The Cafe rent or royalties making this a fantastic opportunity to start your own business. You would also have the option to stay on site for some of the year. The opportunity would particularly suit a couple or partnership due to the very busy nature of the business.
